A decorative graphic consisting of three overlapping, elongated loops. The top loop is purple, the bottom-left loop is green, and the bottom-right loop is blue. They are arranged in a triangular pattern, overlapping each other.

A decorative graphic consisting of three interlocking loops. The left loop is green, the top loop is purple, and the right loop is blue. They are arranged in a triangular pattern, with each loop overlapping the other two. The loops have a thick, slightly irregular border, giving them a hand-drawn or organic feel. The background is white with faint horizontal lines.

This image shows a completely blank white rectangular area enclosed within a thin green border. There are no markings, text, or illustrations present on the page.
